*The Catalogue of United States Perfins*, 1979, lists the user of perfin pattern P224 as "Postal Life Insurance Company. No additional users are listed in the Supplementary Section. This is not quite a match with the pattern's "PSL." On the other hand, "PSL" does not quite match the corner card, Provident Savings Life Assurance Society; however, it appears to be more logical combination than the

listed entry. If you have this perfin on cover, please submit a photocopy to assist in confirmation of the correct user's name.

A photocopy of this January 19, 1910, mailing from the Provident Savings Life Assurance Company of New York has been forwarded to the US Catalog Editor for evaluation.
